AQUILA

## The Class of '64 Proudly Presents The Aquila.

When September arrives  
And activities start,  
Much fills our days,  
We can't tell them apart;  
We cherish them all,  
But our memory's not clear,  
So in order to keep them,  
We've stored them in here.  
Now as they all happened,  
We've recorded each treasure,  
And when we have finished,  
You can read them with pleasure.

# *Dedication*

The senior class each year selects a person to whom they dedicate their prized publication. We considered him to be the most deserving of this honor because he is a favorite of the students and the people of the community. He has gained our respect for the manner in which he treats all students. He is the owner of a local restaurant, and he has kindly and generously opened his door and heart to all. We shall never forget his many kindnesses during the basketball season. His spirited face was always seen in the crowd, and after the game he was always behind the counter with a cheerful smile to cheer us up after a loss or he was in high spirits with a proud smile sharing our happiness after a victory.

This true friend is responsible for organizing and sponsoring the Little League in the Attica community. Through his management and enthusiasm, the younger boys have a chance to participate in an active sport. Because of his willingness to lend a helping hand, his generosity, his loyalty, and his friendship, we, the Class of 1964, proudly dedicate this edition of the AQUILA to MR. GORDON BROWN.

Eighty--year, plus

The Sutton State Bank, in its eighty-sixth year, extends its best wishes to the eighty-fourth graduating class of Attica High School. We stand ready to serve you in all of your banking needs as we have proudly served eighty-three classes before you.

# THE SUTTON STATE BANK

When the books close, and the last  
bell rings,  
And carefree days are lost to  
mundane things--  
When Nostalgia strikes, and your  
memory wanes,  
And you remember the faces but  
not the names--  
Pick up your yearbook and leaf it  
through,  
And remember the days so dear  
to you.
